LIFETIME WARRANTY Founded in 1968, we've been around long enough for this to mean something.

Bomb Proof 2mm Thickness is more than double the thickness of most competing designs.

Silicone Gasketed, Heavy Gauge Lid will never leak, even with rough handling.

Liquid & Air-tight Seal protects contents from just about everything.

100% 304 Stainless Steel Construction resists corrosion in nearly every possible environment.

Dual Latch Buckles prevent accidental spillage.

Seamless Interior with radiused corners leaves no place for bacteria to hide.

Tubular Handle integrated into lid.

Solid Rod Stainless Steel Handles TIG welded to main tank.

Base Ring Reinforces Bottom Edge for an indestructible platform.
